EDUCATION

Madhav Institute of Technology and Science , Gwalior, M.P. B.tech, <i>Information Technology (AI + Robotics)</i>	2020-24 CGPA: 8.32
Holy Faith H.S. School , Harda, M.P. <i>Higher Secondary School</i>	2019 Percentage: 88.6
The Foundation of Education H.S. School , Harda, M.P. <i>Secondary School</i>	2017 Percentage: 85.0

PROJECTS

E-commerce Website (demo) - <i>Reactjs, Nodejs, Express, MongoDB</i>	Demo GitHub
<ul style="list-style-type: none">This is a website where customers can purchase goods.Social authentication is carried out using the Google API, Manual authentication is carried out with NodeJS, and data is saved on a MongoDB server.Used basic + advanced React concepts like Hooks, Redux etc.	
Basic Banking System Website - <i>Reactjs, Firebase Database, Scss</i>	Demo GitHub
<ul style="list-style-type: none">You can Add/Delete Customers, Money Transfer Between Two Customers, View Transaction History.Interactive Design with Scss and Neat Reactjs Folder Structures.Used Firebase as a Backend with clean Database entries.	
Movie Recommendation Website - <i>Html, CSS, JS, Flask, ML, NLP</i>	Demo GitHub
<ul style="list-style-type: none">This Website recommends 7 similar movies to your search using the ML algorithm(NLP).Uses CountVectorizer algo. for better efficiency and Flask as Backend.Made an Animated UI with HTML, CSS, and JS.	

SKILLS

Languages	C++, Java, Python, HTML, CSS, Javascript.
Web Special	Reactjs, React-Native, Nodejs, Expressjs, MongoDB, Bootstrap, TailwindCSS, UI/UX.
Tools and Tech.	Git, VScode, Figma, SQL, OOPs, OS, DBMS, Computer Networks, MS Excel, AI tools.
Soft Skills	Problem-Solving, Effective Communication, Team Work, Networking.

EXPERIENCE

Web Development Intern, <i>The Sparks Foundation</i>	May 2023 - Jun 2023
<ul style="list-style-type: none">Made a Basic Banking System Website by Modern tech Stack (<i>Reactjs, FireBase, Scss</i>) VerifyLearned modern technologies and collaborated with peers.	

ACHIEVEMENTS

- Certificate of Excellence in Data Structures and Algo.** in C++ from Coding Ninjas. [Verify Certificate](#)
- 600+** Data Structures and Algorithms questions solved on Leetcode, GFG, and Coding Ninjas' DSA Course.
- Maintained a streak of **328 days** on Leetcode. [#CodingWithConsistency](#)
